

Desired Course Outcomes

- Plan to do work and implement automated tracking of work. (Proactive Planner)
- Gain the ability and the willpower to let others take on larger loads of work without me completely taking over, but still helping where help is needed. (Team Player)
- Feel comfortable actively seeking feedback from group and class members regarding work that I do through presentations, reports, team communications, and deliverables. (Effective Communicator)
- Find methods for determining project success other than getting a good grade.(Sound Thinker)
